RESEARCH EXPERIENCE

Substantive Focus

- Political extremism and interpersonal violence
- Public opinion and race in the U.S.
- Social identity and political psychology

Research Skills

- Research team management and supervision
- Text data collection, processing, and analysis
- Matching and difference in difference designs

- ARIMA models and time-series analysis
- Qualtrics and experimental designs
- Supervised and unsupervised machine learning
- Immersive online field work

TECHNICAL SKILLS

Software R, Microsoft Office Suite, Latex, basic Python

TEACHING EXPERIENCE

Instructor of Record:

1. Racial Politics in the United States, *University of Oregon, Spring 2023*
2. Political Ideologies, *University of Oregon, Spring 2023*
3. Political Parties and Elections, *University of Oregon, Spring 2023*
4. Media and Politics, *University of Oregon, Winter 2023*
5. Matters of Life and Death, *University of Oregon, Winter 2023*
6. Introduction to American Politics, *Chapman University, Fall 2022*
7. Introduction to American Politics, *University of Redlands, Fall 2022*
8. Modern Political Theory, *UC Riverside, Summer 2022*
9. California State Politics (MPP Program), *UC Riverside, Spring 2022*
10. Evolution of the American Party System, *Chapman University, Fall 2021*
11. Modern Political Theory, *UC Riverside, Summer 2021*
12. Modern Political Theory, *UC Riverside, Spring 2022*
13. Modern Political Theory, *UC Riverside, Summer 2020*

Teaching Assistant:

1. Political Ideologies, *UC Riverside, Winter 2021*
2. Political Ideologies, *UC Riverside, Fall 2020*
3. Introduction to American Politics, *UC Riverside, Spring 2020*
4. Introduction to Political Theory, *UC Riverside, Winter 2020*
5. Introduction to American Politics, *UC Riverside, Fall 2019*
6. Political Ideologies, *UC Riverside, Winter 2019*
7. Introduction to American Politics, *UC Riverside, Fall 2018*

WORK EXPERIENCE

Collingwood Research: *Associate Researcher*

June 2021 - Present

- Compiled and analyzed data including voter files and demographic data.
- Experienced in merging shape files and using Maptitude to create maps
- Imputed race by utilizing BISG algorithms
- Performed large-scale geocoding operations on massive datasets

UCR Graduate Quantitative Methods Center: *Consultant* March 2020 - June 2020

- Provided tutoring in R and quantitative methods to graduate students
- Created and led two presentations on network analysis

Center for Social Innovation: *Graduate Researcher* April 2019 - June 2019

- Analyzed racially polarized election data for California races
- Collected voting and demographic data to assess turnout rates

Independent Research Consultant September 2015 - June 2021

- Performed research on diverse topics such as energy grid security and agricultural emissions
- Analyzed web traffic data, providing visualizations for interpretability

American Gas Association: *Research Intern* January 2015 - September 2015

- Conducted research on technical topics to support policy making and lobbying efforts
- Wrote summaries of the research, drafted talking points, and prepared informational handouts

Media Research Center: *Staff Writer* September 2013- August 2014

- Authored regular blogs, including both short news items and longer research and analysis pieces
- Closely followed political news and helped determine research questions and topics of interest

McCullough Research: *Research Associate* June 2012- June 2013

- Compiled extensive research reports and interfaced with media during their distribution
- Collected and analyzed a variety of data, including archival sources and FOIA requests
